

# THE HIGHGATE FOUNDATION

Helping to Raise the Standard for your children's education.

The Highgate Foundation has funded a number of projects, which have vastly improved the facilities offered to our children.

The Foundation was created by a group of enthusiastic parents in 1996 to ensure the school was equipped to meet the growing challenges of primary education and provide the best learning environment for our children.

The Foundation is run by a committee of Highgate parents.

**Highgate families fund all of the Foundation projects.**

Funding is received through donations, Foundation memberships and supporting the various foundation fundraisers throughout the year.

## Objectives

- To ensure our children have access to the latest learning resources.
- To improve the school's buildings, playgrounds, teaching and other facilities.
- To fund priority capital works and items that cannot be covered within the regular school budget and to further improve the facilities and opportunities offered to our children at Highgate

## Membership

Foundation membership is open to all families of the school.

Life membership is available for a donation of \$500.

As a member you will receive the following:

- Membership certificate
- An opportunity to attend all general foundation meetings and serve on the board
- Life Memberships are inscribed on the honour board in the Peter Hansberry Hall foyer.
- Savings on tickets to Foundation Functions.

## Completed projects include

- "Mr D Pavilion" and Junior Primary shelter.
- Digital cameras, smart-boards, AV equipment.
- Shade sails over the playground equipment.
- Playground equipment
- Covered seating area next to Opie House and canteen.
- Junior Play Equipment purchased 2009.
